

Spotlight Relocation to Guernsey

With a long history of advising families and businesses on their relocation to the Islands of Guernsey, we provide local law advice on residency, property, employment, corporate, private wealth and regulatory matters.

Our legal teams are ranked in the highest tiers by leading independent legal directories, emphasising our standards of technical knowledge, expertise and client care.

Our lawyers work to understand the unique requirements and motivations of each individual client to tailor our services accordingly.

We are also able to act seamlessly as part of clients' existing advisory ecosystems or, where required, we can coordinate and build a team of international advisers to meet clients' needs and achieve their objectives.
